1 Information we collect

Little Voices Speech Therapy holds personal data as part of conducting a professional service. The data follows under the following headings: healthcare records, educational records, clinical records, general administrative records, and financial records.

1.1 Healthcare records

A healthcare record refers to all information collected, processed and held both in manual and electronic formats pertaining to the service user and their care. Speech and language problems can be complex, and a wide range of information may be collected in order to best meet the needs of the client, and to maintain a high-quality service which meets best practice requirements. In order to provide a high-quality service, a range of information may be collected.

Examples of data collected and held on all current and active clients include the following:

- Contact details: Name, address, phone numbers, e-mail address,
- Personal details: date of birth,
- Other contacts: name and contact details of GP and any other relevant healthcare professionals involved.

For child services:

- Parent/guardian details
- Description of family
- Educational placements.
- Pre- and post-natal history: This can include information relating to mother's pregnancy, and child's birth.
- Developmental data: developmental milestones, feeding history, audiology history.

- Medical details: such as any relevant illnesses, medications, and relevant family history. Reports from other relevant allied health professionals such as: Audiology, Psychology, CAMHS (Child & Adolescent Mental Health Services), Occupational therapy, Physiotherapy, Ophthalmology.

1.2 Educational records

Relevant Individual Educational Plans (IEPs), progress notes from educational staff and school reports may be held.

1.3 Clinical records

Specific data in relation to communication skills may be collected and held, such as assessment forms, reports, case notes, e-mails, text messages and transcripts of phone. Audio and video files may also be collected and stored.

1.4 General administrative records

Little Voices Speech Therapy may hold information regarding attendance reports and accident report forms.

1.5 Financial records

A financial record pertains to all financial information concerning the practice, e.g. invoices, receipts, information for Revenue. Little Voices Speech Therapy may hold data in relation to: on-line purchasing history, card payments, bank details, receipts and invoices. Information will include name of bill payer, client name, address and record of invoices and payments made.

2 Where we get our information

Personal data will be provided by the client, or in the case of a child (under 16 years), their parent(s)/guardian(s). This information will be collected as part of a case history form prior to, or on the date of first contact.

Information may also be provided directly from relevant third parties such as schools, medical professionals and allied health professionals, with prior consent from the parent(s)/guardian(s).

3 How we use the information that we collect

We use the information we collect to provide assessment and therapy as per the relevant professional guidelines, as well as to maintain the general running of the business, such as running our electronic booking system, keeping our accounts and updating you of any changes in policies or fees.

Information may also be used for research purposes, with the written consent of the client or parent/guardian.

3.1 Data retention periods

The retention periods are the suggested time periods for which the records should be held based on the organisation's needs, legal and/or fiscal precedence or historical purposes. Following the retention deadline, all data will be destroyed under confidential means.

3.2 Client Records

3.2.1 Clinical Records

Little Voices Speech Therapy keeps both physical and electronic records of clinical data in order to provide a service.

- The preferred format for clinical data includes both paper and electronic data.
- MyTherapyTracker is a secure, online system that is used to store notes.
- Clinical data is deleted/confidentially destroyed after the child is 25 years of age.
- Clinical data used for research purposes, may be kept for longer than 2 years.
- Video records/ voice recordings relating to client care/videoconferencing records may be recorded with consent, analysed and then destroyed. If written consent is provided to use recordings for training purposes, the client will have the option to withdraw consent at any time.

3.2.2 Financial Records

Little Voices Speech Therapy keeps electronic/paper records of financial data from those who use our services.

Section 886 of the Direct Tax Acts states that the Revenue Commissioners require records to be retained for a minimum period of six years after the completion of the transactions, acts or operations to which they relate. These requirements apply to manual and electronic records equally.

- Financial Data is kept for 6 years to adhere to Revenue guidelines.
- Financial Data (including non-payment of bills) can be given to Revenue at Revenue's request.

3.2.3 Contact Data

Contact Data is kept for 6 years to allow processing of Financial Data if required. (This may be retained for longer for safety, legal request, or child protection reasons.)

3.3 Exceptions

If under investigation or if litigation is likely, files must be held in original form indefinitely, otherwise files are held for the minimum periods set out above.
